

**SECONDARY  
DOUBLER**

PRINT ON A4 PAPER

One printout will  
make one pair of  
secondary strap  
doubblers.

Use 4x4cm test  
square to verify  
correct print  
scaling (measure  
to outside of  
line).

Locations marked  
with crosses  
indicate where  
holes should be  
punched for  
rivets.

Info, fabrication instructions, and alternate patterns available  
at [convergencefactor.com/doublers](http://convergencefactor.com/doublers)
